CAST STONE. MASONRY.

CAST STONE • GFRC
NATURAL STONE • GFRG
MANUFACTURED STONE
RESTORATION • PUBLIC ART

TRUSTED.

- We are the #1 leading manufacturer and subcontractor of architectural elements in Cast Stone and GFRC.
- We are the only Producer Member in the **Cast Stone Institute in the State of Florida** certified to meet the stringent requirements of **ASTM C1364**.
- We offer the coveted **10-year Cast Stone Institute limited product warranty** on our Cast Stone product.
- We have successfully completed complex commercial and luxury residential projects valued in excess of \$3.5 million per project.
- We are approved education providers for the **Construction Industry Licensing Board (CILB)**, **American Institute of Architects (AIA)** and **American Society of Landscape Architects (ASLA)**. Call to set-up your educational presentation today.

ESTABLISHED.

- We offer a complete line of architectural masonry products and services including **Cast Stone, Natural Stone, Manufactured Stone, GFRC/GFRG, Restoration and Public Art**.
- We serve Florida, the southeast USA, the Caribbean and Central and South America.
- We have a \$3 million single project and \$6 million aggregate bonding line at a sub-2% rate.
- We operate out of our own brand new state-of-the-art 31,000 SF manufacturing facility situated on 2.8 acres in Delray Beach, Florida. Our facility is conveniently located near PortMiami and Port Everglades.
- We are proud members of **AIA, CASF, CEA, MCAA, ICRI, GCBA, BASF and CCC**.

RECOGNIZED.

- We are the recipient of the prestigious **2015 ABC National Eagle Award** (first place) and the **2014 ABC National Pyramid Award** (second place) for Excellence in Construction in the field of Masonry, Precast and Stone.
- We have been named a **Top 100 Specialty Contractor** in the southeast United States by ENR magazine every year since 2013.
- We were named by the Southeast Florida chapter of ABC in 2014 as their **first Specialty Trade Contractor of the Year**.
- We are proud to have a nationally recognized in-house carver/sculptor for historical restorations, public art and signature creations.
- We have a strong commitment to safety with participation in the ABC STEP Program, an independent safety consultant and **30-hour OSHA trained supervisors** resulting in a **0.70 EMR** rating.
- We have completed important architectural restoration projects including Vizcaya, the Mizner Fountain at the Palm Beach Town Center and historical sculptures on Lincoln Road Mall.
